Personnel

Personnel Committee 2011 Annual Report

Several changes occurred in our organization during 2011. Leadership of the committee changed hands mid-year as Sharon Scott completed her term on the Session. Many thanks to Sharon for her dedicated service to the human resources function over the past years.

Our organist, Diane Rabinovich, resigned in July. We were blessed to obtain the talents of Jin Shil Yi as Diane's replacement. Sue Burgoyne has truly been an angel for directing the choir long after she requested to retire. After an exhaustive search for a Director of Music, a candidate was selected. However, at the last minute we were unable to finalize an acceptable relationship. Ian Billingsley assumed the leadership role of the Praise Team in September. The search continues.

An Associate Pastor Nominating Committee worked diligently and selected Candidate Brad Epperson as Associate Pastor of the Youth and Young Adult ministry. The congregation will vote him on, Sunday, January 22, 2012. If selected, Brad would start on March 1, 2012. Our prayer is for the development of a vibrant young adult program.

We expect a challenging 2012 for the Personnel Committee as it strives to balance the personnel need with the available financial resources. Finding a replacement for retiring bookkeeper, Judi Rash, will be a major task.

Respectfully submitted,

Ted (Warren) Wier , Elder and Chair for Personnel Committee
