Pastor James H. Kim
2011 Annual Report

God at Work!

“Being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus” (Philippians 1:6).

God is up to something great!

It is God who began The Little Church on the Prairie, and it is God who promises to carry it on to completion.

God never starts anything that he does not finish.

God is at work at LCOP.

Before the Jews entered the Promised Land, he instructed the people through their new leader Joshua, *“Consecrate yourselves, for tomorrow the Lord will do amazing things among you” (Joshua 3:5).*

- To consecrate something means to set it apart for a particular use.
- It means to prepare a thing for a particular use.

That’s what God has been doing with The Little Church on the Prairie for the past few years. God has been preparing us for what he is about to do in and through The Little Church on the Prairie.

God has given to The Little Church on the Prairie everything we will need to do his ministry excellently.

- We have amazing people and God continues to add to our numbers.
- The amazing people at LCOP have amazing gifts, talents, and abilities to be used for Kingdom purpose.
- We have been given a rich amazing history and heritage.

The table is set. The ministry is ready. God is ready.

Are you ready to jump in with both feet? Are you ready to join in what God is about to do through LCOP in the Lakewood community?

Amazing things happen when the promises of God are infused with the obedience of his church.

Little Church, this is our time. This is God’s time.

God is at work in this place! Be a part of God’s work in 2012!

He who began a good work in us will bring it to completion!
